Syllabus

Our syllabus comprises of a six-year Aalim-Faadhil course (Darse-Nizami) taught in three different languages; Arabic, Urdu and English. There is also a supplementary year preceding this course for those who have not learned the basics of Islam and/or wish to dedicate more time to learning any of the three languages mentioned above. At this time, English and Urdu classes are included, with Arabic beginning in the very first year of the Aalim course.

After the completion of their Aalim course, students may further their studies by specialising in any of four fields provided by the Darul Uloom within two-years each; Tafseer, Hadith, Fiqh (Mufti Course) and Arabic Literature.

Hifz and Tajweed courses are also individually provided by the Darul Uloom (the Tajweed course is also included in the Aalim course).

All graduates of Darul Uloom Qadria Ghareeb Nawaaz are presented with a certificate verifying the attainment of their degree and are adorned with turbans in the Annual Jalsa.
